Star Poster Program

Poster Design Checklist

Student Name: _____

Poster Theme:

Before you turn in your poster, go down the checklist and mark each item you've done what it says. Turn this is with your completed poster.

- [ ] I used a ruler to make guidelines for all the lettering (*top, bottom and middle lines*).

- [ ] There are no serifs on the capitol I's or J's unless all letters have serifs.

- [ ] At least one word is done in drawn letters.

- [ ] The words on the poster tell what the topic/theme of the poster is about.

- [ ] The poster has both graphics and words.

- [ ] All words on the poster are easy to read from 10 feet away.

- [ ] No lettering touches the edge of the poster unless the letter makes the shape of the poster.

- [ ] I considered using borders and areas of color or texture behind working to make them stand out.

- [ ] I put my first and last name, as well as, my class on the back of the poster.

- [ ] I competed a poster label.
